

COVID-19 Operations Plan

A message from Lane Co. Circuit Court Presiding Judge:

As a reminder, the Lane County Court COVID-19 Operations Plan is being updated regularly as proceedings are being added back in and/or changes are made to how proceedings are being managed. A link to the Operations Plan can be accessed on the homepage of the Lane County Circuit Court website, or at: https://www.courts.oregon.gov/courts/lane/Documents/Lane_Covid19_Operations_Plan.pdf.

Court staff are having to field many calls from practitioners with questions as to operations, many of which can be answered by referring to the Operations Plan.

WORKING TOGETHER TO ACHIEVE JUSTICE FOR LOW INCOME OREGONIANS

Lane County Legal Aid / Oregon Law Center is currently engaging in priority setting. The primary goal of our office is to achieve justice for the low-income community by providing a broad range of free civil legal services. In order to achieve our goal, we periodically seek input from community members, community partners and the local bench and bar to determine the most pressing civil legal needs of the low-income community of Lane County. We use the information we gather to determine the types of cases we accept and services we offer. Please contact our office at ehente@oregonlawcenter.org if you have any input to share about what unmet civil legal needs you have observed among the low-income community, what services you think our office should offer or other changes you think would benefit the low-income community. We need to receive your input by **August 21, 2020**. We appreciate your support in this process as we continue to strive to offer the highest quality civil legal services to the low-income community of Lane County.
