Unbundled/Limited Scope Services

PROMOTE YOUR LEGAL SERVICES
& EXPAND ACCESS TO JUSTICE

If you provide unbundled legal services or limited scope representation, the Lane County Bar Association's newly resurrected and expanded **Pro Bono and Limited Representation Section** wants to help promote your business!

To increase awareness and promote to this type of practice model, the committee is compiling a list of practitioners and their practice areas who provide pro bono and limited representation services to their clients to be provided on the LCBA website and at participating organizations. If you provide either/both of those services, please join us in this effort by submitting your information and a description of your practice areas to our database here: [LCBA Unbundled List](#).

Limited representation not only expands legal services to low- and middle-income clients, it also benefits a law practice. By providing unbundled services and/or sliding scale rates, practitioners can gain access to new markets and business models while helping clients access legal solutions. If you are unaware of the benefits of this model, please stay tuned for a forthcoming CLE.

If you are interested, or would like more information, email committee chair **Judith Moman**, Judith@ReaLifePlanning.com.
